

Join us for the *Tourism Naturally* Conference hosted by Colorado State University, in Alghero, Italy! The conference venue is in the historical center of Alghero, a small and charming seaside city on the island of Sardinia.

Tourism Naturally is a conference designed to address the myriad of issues that arise as tourism businesses, infrastructure, travelers and hosts interact in overlapping economic, cultural, social and environmental spheres. The plenary track theme this year is Coastal and Mountain Systems and experts will provide perspectives on ecological integrity and industry sustainability.

Plenary Speakers

Omar Valdez, Executive Director, UNWTO.Themis Foundation

Joe Blake, Chancellor Emeritus of the Colorado State University System

Joseph O'Leary, Professor, Colorado State University

Salvador Anton Clavé, Professor, Rovira i Virgili University

Hu Jing, Dean of the Wuhan Branch of China Tourism Academy
